ABOUT JCEA (JOURNAL OF CENTRAL EUROPEAN AGRICULTURE)

- ⊙ International scientific journal in agriculture
 - ⊙ open access (Creative commons license)
 - ⊙ peer-reviewed
 - ⊙ online only
 - ⊙ multilingual
 - ⊙ indexed in referral bases:
 - CAB Abstracts
 - Scopus
 - Agricola
 - DOAJ
 - EBSCO

AIM AND SCOPE

- ⊙ General agriculture
- ⊙ Animal science
- ⊙ Animal welfare and husbandry
- ⊙ Crop science
- ⊙ Entomology and beekeeping
- ⊙ Wildlife management
- ⊙ Agricultural economics
- ⊙ Environment in relation to agricultural production
- ⊙ Land use
- ⊙ Rural development
- ⊙ Social issues regarding rural/farm populations
- ⊙ Other topics related to agriculture

JOURNAL PUBLISHES:

- ① Original scientific articles
- ① Review articles
- ① Brief scientific reports
- ① Papers from scientific conferences

PURPOSE

- ① To exchange problems and solutions related to agriculture between neighbours in Central and Eastern Europe
- ① To preserve and develop national languages and identities
 - ① ease the demand on the present West European journals in agriculture
 - ① give opportunity and encouragement to Central and Eastern European scientists to publish faster

ELECTRONIC FORM ENABLES:

- ⊙ Publishing through lower costs
- ⊙ Lower limits to the length of papers
- ⊙ Supplementary materials (videos, maps...)
- ⊙ Better availability and easier access to more people from remote places
- ⊙ Faster exchange of new scientific findings and information in the field of agriculture

MEMBER COUNTRIES

(MEMBER INSTITUTIONS)

- ⊙ **BULGARIA**
Agricultural University Plovdiv
- ⊙ **CROATIA**
University of Zagreb, Faculty of Agriculture

University of Osijek, Faculty of Agriculture

Institute of Agriculture and Tourism,
Poreč
- ⊙ **CZECH REPUBLIC**
University of South Bohemia, Faculty of Agriculture
- ⊙ **HUNGARY**
University of Pannonia Georgikon Faculty
- ⊙ **POLAND**
University of Technology and Life Sciences in Bydgoszcz, Faculty of Animal Breeding and Biology
- ⊙ **ROMANIA**
University of Agricultural Sciences and Veterinary Medicine
- ⊙ **SERBIA**
University in Kragujevac, Faculty of Agronomy Čačak
- ⊙ **SLOVAKIA**
Slovak university of Agriculture in Nitra, Faculty of Agrobiology and Food Resources
- ⊙ **SLOVENIA**
Agricultural Institute of Slovenia

PUBLISHING

- ◎ All 9 member countries cooperate in publishing = *9 national editorial boards*
- ◎ Every year different country is in charge for reviewing process (*Executive board*)
 - ◎ annual meeting of international editorial board
- ◎ *Technical board* (works beside the Croatian national board in Zagreb)
 - ◎ typesetting, editing and uploading of issues to the journal homepage
 - ◎ maintaining the journal homepage

REVIEWING PROCESS

- ⦿ After technical approval, journal's editor (from Executive board) find appropriate reviewers for the manuscript
- ⦿ Each manuscript is assigned to at least 3 reviewers from 3 different member countries
 - ⦿ in consultations with national editorial boards (if needed)
 - ⦿ for manuscripts whose authors are from member countries one review from author's origin country must be provided

MULTILINGUALISM OF PUBLISHED ARTICLES

- ◎ To enable international review and dissemination of research results to broader audience
 - manuscripts are written in national language of any of the 9 member countries and English
- ◎ Authors from member countries have option to write in national language
 - but manuscript title, abstract, keywords and detailed abstract must be written in English

MULTILINGUALISM OF PUBLISHED ARTICLES

Articles are written in:

⊙ English

⊙ Polish

⊙ Bulgarian

⊙ Romanian

⊙ Croatian

⊙ Serbian

⊙ Czech

⊙ Slovak

⊙ Hungarian

⊙ Slovenian

- Articles from non-member countries must be written in English

MULTILINGUALISM OF PUBLISHED ARTICLES

- ◎ Manuscripts written in English
 - ◎ manuscript title, abstract, keywords and detailed abstract can be in national language
 - used in 75% of submitted manuscripts
 - ◎ better availability of published results and informations to local community (science, agriculture...)

JCEA WEB PAGE VISITORS

(AUGUST 2014-JULY 2015)

- ⊙ Total number of web page visits is 28638
- ⊙ Average visits by month is 2386
- ⊙ Visitors from member countries => **16441**
- ⊙ Visitors from non-member countries => **12197**

VISITORS FROM MEMBER COUNTRIES

- ⊙ Poland => 5481
- ⊙ Slovakia => 3000
- ⊙ Bulgaria => 2344
- ⊙ Croatia => 2220
- ⊙ Czech Republic => 1606
- ⊙ Hungary => 665
- ⊙ Romania => 534
- ⊙ Serbia => 459
- ⊙ Slovenia => 132

VISITORS FROM NON-MEMBER COUNTRIES

Most visitors from non-member countries are from:

- ① Iran => 1900
- ① India => 1525
- ① USA => 940
- ① Nigeria => 746
